Dear Sir Sentillas,

Greetings!

We, the fourth-year students of Taguig City University pursuing a Bachelor of Science degree in Information Systems, are currently enrolled in Capstone Project 2, Section with the proposed project entitled “Web-Based Calibration Database and Monitoring System with AI-Based Predictive Analytics and Scheduling Algorithms for Scientific Standard Services Inc.”

We request your service and expertise to serve as an adviser for our thesis. Your knowledge and insights will be valuable and will greatly enrich our work.

I appreciate your consideration, and we hope you can fulfill our request.

Respectfully yours,

The Proponents
